ORCHESIS - LFHS DANCE CLUB

Orchesis is a LFHS dance club being formed to provide its members with an opportunity to study dance as a performance art. Students will have the opportunity to choreograph, perform, and produce repertoires in various dance styles. Orchesis will be primarily an after-school program that is socially oriented,

non-competitive, and inclusive of all students who are committed to their art form. Depending on each student's level of interest, the level of commitment required to participate will be varied. One of our most important missions is to develop dance-related service projects that will enable members to use their talent to reach out to communities and promote dance.

An informal, informational meeting for students will be held at Lake Forest High School in the Library Classroom of the main Library on Thursday, May 29th, 2008, at 3:45 pm for those who are interested in learning more. We need your commitment now to secure adequate space, and to begin pre-planning for our 2008-2009 season.

Please reply via email to the following address if you plan to attend the 5/29/08 meeting: lfhsorchesis@comcast.net.
